

Dear Parents and Carers,

Creative Kidz are delighted and excited to form a new partnership with Vigo Primary School.

About us- We are a leading out of school childcare provider in Hampshire.

The managing partners are husband and wife team-Kelly and Brian Keeling. Kelly has been working in childcare for 28 years and in the out of school childcare sector particularly for 15 of those. Brian has been a partner for 9 years and has recently retired from the fire service. As working parents ourselves, we have an excellent understanding of children's lives and their social contexts. Our objective is to support and encourage personality development, independence and creativity. Developing social interaction and an understanding of inclusion are also top priorities.

All of our settings are with registered with Ofsted Standard for Education on the Early Years register and both the voluntary and compulsory parts of the Childcare register. Our staff teams consist of highly trained and experienced professional people, each of which are subject to robust recruitment procedures including DBS checks and our extensive training and development package.

We accept tax free childcare and childcare vouchers. Please see here for more details of help paying for childcare- <https://www.childcarechoices.gov.uk>
